CAUTION - EXTERNAL:

Dear Judge Johnston,

Attached is my objection to the Magistrate Judge's Report and Recommendation, as well as my Objection to his Order Denying Motion for CM/ECF Access. Just like last time, these pleadings will be mailed to the Courthouse, and those mailings will bear my signature. This email simply provides an electronic copy of the pleadings for your convenience.

I am disappointed that you did not rule on the Motion for Extension of Time to Respond in time for me to avoid having to mail this. Please consider the relief I request in the first two paragraphs of my Objection to Report & Recommendation in order to undue the prejudice caused by this lack of extension.

Sincerely,

David Stebbins
